Dear Parish Family,

Today, due to the increasing number of positive cases of COVID-19 and higher positivity rates among those tested, Governor Newsom ordered the California Public Health Officer to order certain closures statewide, as well as additional closures in certain counties, including the Riverside and San Bernardino Counties.

As a result, our bishop, Bishop Barnes, has asked for all parishes in our Diocese, the Diocese of San Bernardino, to once again suspend public Masses and to close our Parish Offices to the public, **effective immediately**. This may seem like a setback, but we are always encouraged to find God's presence in all that is going on in our lives.

Thus, we ask you to please continue participating in our livestreamed daily Masses at 8:00AM, Monday through Saturday (English) and Wednesday at 12:00 Noon (Spanish). Sunday livestreamed Masses are at 10:00AM (English) and 12:00 Noon (Spanish). These livestreamed Masses can be found on our Facebook page ([www.facebook.com/STVFOfficial](https://www.facebook.com/STVFOfficial)) and on our YouTube page ([www.youtube.com/c/stvincentferrer](https://www.youtube.com/c/stvincentferrer)).

All our offices are closed to the public, but we can still accept telephone calls and e-mails. We will inform you of the times that each office will be available to take phone calls. Our Bulletin will remain available online, and we will be updating our Facebook pages regularly to keep you informed.

Thank you for your patience and understanding. Let us continue to pray to the Lord for perseverance in our faith, healing and an end to this pandemic.

Please stay safe and God bless.

In Christ and Mary,

*Fr. Fred. M.S.*
